Hong Kong's secret police files leak by Foxy

Date: August 8, 2008

Author: Wikinews

News Source: [Wikinews](#)

Hong Kong again in recent days a number of confidential police files leaked by the Foxy software. There are involved in loan-sharking to assist the police in the arrest of a witness's personal information such as name, telephone, address and place of work. It has been 4 months, 7 leak of confidential police.

Police said very concerned about the incident and launched an in-depth investigation, set up by the Deputy Commissioner of Police (Operations) Yam Tat-wing, presided over the committee to review and follow up the recent spate of Foxy leak case.

through Foxy software users have to "Pol", "operation" to search for the words of these documents, these documents related to Aberdeen, Wong Chuk Hang, Sha Tin District, and so on. Aberdeen police ambush, including the arrest of drug traffickers of the report, there are raids on illegal gambling site in advance of the deployment, ambushed police at Wong Chuk Hang, as well as head of the deployment of the document.

a document which is to assist the police in the arrest of a criminal usury evidence of the capacity of paper. The document also includes the testimony of personal data such as name, telephone, address and place of work.

police rank and file police officers Zhong Jinhua, president refers to the witness statements are of a confidential paper that only the police officers responsible for the investigation before they can read. He said the police had earlier issued the guidelines, if necessary, the police not to return home to deal with confidential files.
